

Club of the year Application – Overall Programs/Large Club, 2015-2016

Tampa Bay IOWA Club

The Tampa Bay IOWA Club (TBIC) graciously and proudly submits this application in consideration for the 2015-2016 IOWA Club Awards for Overall Programs - Large Club category. The TBIC is entering its 24th year and is very proud of the accomplishments we achieved this past year. As an extension of the University of Iowa Alumni Association we strive to promote the interests of the University, its alumni and friends through educational, social, and athletic programs. In keeping with the UIAA tradition, we invite all alumni, friends, fans, and students of the University of Iowa into our membership and to join us at our many events and activities.

TBIC Game Watch Expansion

On September 5, 2015 the Tampa Bay IOWA Club officially expanded its game watch footprint and added a second location as an official Hawkeye game watch venue. Ferg's Sports Bar & Grill in St. Petersburg hosted its first game watch as the Hawkeyes battled Illinois St. to kick-off the 2015 regular season. Adding a second venue had a major impact for the TBIC in 2015-2016. Our Pinellas County members, unable to travel to the Tampa game watch location, now had a place to enjoy the games with other Hawkeye fans. It also allowed us to contribute more money to our scholarship endowment fund by increasing membership registration, selling more merchandise, and increasing 50/50 drawing participation.

TBIC Membership Growth

We experienced our largest increase in membership during the 2015-16 football season than in previous years. We added 59 new members, which grew our membership 22%, from 266 to 325! Of course, watching the Hawkeyes battle and end the regular season at 12-0, win the Big Ten West Division, play in the BIG Championship game and earn an invitation to the Rose Bowl certainly helped. However, membership growth can also be attributed to the addition of a second game watch venue, but more importantly to the hard work by our board members during game watches and other events to engage with attendees and effectively communicate the value in becoming a registered member.

TBIC Events

Attached is a list of the many and diverse events we held throughout the year which provided our members and friends an opportunity to enjoy what the Tampa Bay area has to offer, support the local community through various events and activities, network for business purposes or simply reminisce and share memories. Here are a few highlighted events:

Tampa Bay IOWA Club Schedule of Events 7/1/2015 - 6/30/2016

Arena Football	7/11/15	11
Hawkeye Happy Hour	7/16/15	8

An Evening with Tim Dwight	4/8/16	60
Hawkeye Happy Hour	4/21/16	13
Night at the Rays	5/14/16	30
Annual Meeting	6/10/16	22
TOTAL ATTENDEES		2674

- **July 16, 2015:** beach retreat where board members and non-board members were invited to discuss ways to improve and enhance the TBIC membership experience. We collectively made a decision to hold another fund raising dinner – benefitting the Tampa Bay IOWA Club Scholarship Endowment and a Tampa Bay area charity.
- **August 22, 2015:** annual Big Ten football kickoff party. For the 5th year in a row the TBIC had the highest attendance of all local Big Ten alumni clubs. It's a great event that allows us to connect with fellow B1G club leaders and members as well as showcase our club growth and membership participation.
- **September 12, 2015:** prior to the ISU game watch, the board met to finalize the details of our upcoming fund raiser dinner. During this meeting we chose our charity partner- the JDRF – the leading global organization for type 1 diabetes (T1D) research, established our committees responsible for coordinating all the activities for the charity dinner, assigned board members as leaders for those committees and selected member volunteers to our committees to perform and fulfill the needed charity dinner preparation activities.
- **October 31, 2015:** to help celebrate Halloween we held our annual pumpkin carving contest. Although the activity itself was nothing specific to foster community engagement or development it does help create a stronger bond within the club membership itself.
- **November 7, 2015:** in October of 2015, the UIAA/UIVA notified us of the Ruck March for the Minnesota at IOWA game, the Ruckers would be marching the game ball from TCF Bank Stadium to Kinnick for the game between the Hawks and the Gophers while carrying 22 lbs (made up of personal belongings significant to their personal military experience or which honored the service of friends or family). The purpose of the event was to raise awareness and honor the 22 veterans who take their own lives each day. The University sent out a call to action and we answered the call! Our course of action was to hold a fund raiser and support such an important cause and did so during the 11/7/2015 Iowa vs. Indiana game. We created a Game Ball Ruck March donation page through our online square account for open donations and the TBIC board decided to donate the 50/50 drawing proceeds for that week's game watch to the UIVA. In typical Iowa generosity fashion, the individual who won the 50/50 drawing donated their winnings back to the Ruck March as well! In all, the Tampa Bay IOWA Club donated \$500 to the UIVA in support of the event.
- **November 14, 2015:** the Minnesota game was designated as our annual food drive for Hope Children's Home, an organization we have partnered with since 2008. TBIC members and friends responded once again. Countless amounts of food and other items were donated with some members making cash and gift card donations. The board also voted and made a decision to donate our 50/50 funds collected for that game to the Hope Children's Home, not surprising, the member who won the 50/50 drawing donated their winnings back to the food drive. In addition to the food collected at both locations we donated \$715!

- **November 21, 2015:** this game watch was designated as our Membership Appreciation Day. All our registered members were given food tickets when they arrived for the game watch. During half time those tickets were exchanged for a plate of free appetizers. Some board members helped our game watch partners (Tampa Joe's in Tampa and Ferg's in St. Petersburg) serve the free appetizers and our members loved the personal touch.
- **December 6, 2015:** one of the ways we support the local community is having an annual outing to watch the Tampa Bay Buccaneers. 42 TBIC members and friends were fortunate to witness a rare win for the Buccaneers in 2016 as they beat Atlanta 23-19.
- **December 10, 2015:** annual joint basketball game watch with the ISU club. We have joined them the past few years for the Cy-Hawk series basketball game alternating home venues. This joint game watch was on "our" turf held at Tampa Joe's. It was a difficult loss but we survived another year watching a game with that other school in the state!
- **December 13, 2015:** for our annual Holiday party, toys were collected for the local Toys-for-Tots program.
- **January 9, 2016:** our annual new year kickoff meeting. Both board members and non-board members are invited to this annual retreat. The kickoff meeting's goals are to establish our upcoming schedule of events for that year, discuss strategies on increasing memberships, ways to provide value to our registered members, determine what merchandise will be sold, and any other improvements we can implement to create a stronger club and enhance the TBIC membership experience.
- **February 3, 2016:** the Tampa Bay IOWA Club responded to a request from the University of Iowa College of Medicine to provide local representation for the University of Iowa Mini Medical School Program hosted at the Tampa Marriott Westshore.
- **February 27, 2016:** the Iowa Baseball team was back in Florida for the annual Snowbird Classic held in Punta Gorda, FL. The Tampa Bay IOWA Club coordinated an outing with the Orlando IOWA Club and Paradise IOWA Club to watch the baseball team play Dartmouth then hosted a post-game barbecue. We cooked for 101 attendees including the Iowa Baseball players, coaches, staff and parents following a great win for the Hawks!
- **April 8, 2016:** An Evening with Tim Dwight, Team Up to Fight Juvenile Diabetes. Definitely the biggest event for the TBIC for the 2015/16 calendar year. The TBIC board decided to hold a fund raiser dinner to benefit our scholarship endowment fund as well as a local charity. We decided to partner with the local JDRF chapter. It took months of preparation and coordination, selecting a partner charity, community outreach to acquire silent and live auction items, promoting and advertising the event, securing a venue and choosing the dinner menu. Many details requiring a lot of team work from both our TBIC board and non-board members. The night was an absolute success! Our top choice for guest speaker accepted our invitation and was absolutely awesome and entertaining delivering a strong

message about the values of the University of Iowa. We established a temporary website through the square marketplace offering our members and friends the option to register for the event or make a donation. Anyone who registered for the event or made a donation of \$75 or more was automatically eligible to win a short-stay cruise to the Bahamas from West Palm Beach. In addition to receiving over \$400 in donations, we secured over 60 items for our silent and live auction. The event was a huge success and raised over \$6,000! Shortly after the event a few of our board members was able to hand deliver a check in the amount of \$3,000 to the JDRF.

- **May 14, 2016:** 30 TBIC members and friends got together to enjoy America's Pastime for our 9th annual TBIC night at the Rays. Tickets to the game included a pre-game party hosted by Ferg's with all-you-can-eat wings. The TBIC must be the good luck charm for our local sports teams as the Rays beat the Athletics 6-0!
- **June 10, 2016:** the Tampa Bay IOWA Club annual meeting, where all TBIC members are invited to attend and participate. We extend an open invitation to our members to thank them for their membership, provide them details of board activities and how their membership dues are used to maintain club activities and events, and finally open the floor for their valuable input, feedback, and suggestions on how we can improve their membership experience.

TBIC Communication

Our membership includes over 325 due paying members spanning across 4 counties. In order to reach our growing membership base and the other approximately 900 University of Iowa alumni and friends we have contact information for in our area requires effective communication:

- We maintain THE best IOWA Club website in the country: www.tampabayiowaclub.com.
- Our Facebook page, Tampa Bay IOWA Club, which has grown to over 200 friends, provides details on all our upcoming events and keeps our members and friends updated on all things Iowa.
- Other social media vehicles such as LinkedIn and Twitter are used to maintain contact with our audience as well.
- The TBIC publishes a newsletter (up until January of 2016 it was a monthly newsletter) every quarter to provide our members details on past event results, highlighting and introducing a TBIC Member called our "Hawkeye Insider" and reminders about upcoming events. See attached.
- We take advantage of the 2 UIAA mailings provided each year.

TBIC Scholarship and Scholarship Endowment

One of the most important goals every year for the TBIC is contributing to our scholarship endowment and awarding a scholarship to a Tampa Bay area student who has chosen the University of Iowa to continue their education. The recipient for the 2015-2016 scholarship was awarded \$2,000 and our contribution to the scholarship endowment was more than \$4,300!

TBIC President's Corner by Diane Lane

This last football season, TBIC had record setting numbers at both Tampa Joe's and Ferg's and we would like to thank all of you who attended! It was an exciting football season and we are looking forward to next season.

How many of you have attended one of our Hawkeye happy hour events? Last

month was held at the Chart House and it was a beautiful evening with lots of fun and laughs. The HHH is held the third Thursday of each month except December. Watch your email and Facebook for the upcoming locations!

We hope to see all of you at our scholarship dinner on April 8th! We are very excited about our guest speaker, Mr. Tim Dwight. Tim was always an exciting player in his days at Iowa and in his NFL career. We will be giving away a Bahamas cruise, and we have fabulous silent and live auction items. We have a number of auto-graphed items, massages, car details, restaurant gift cards, golf outings, a trip to Cancun...just to name a few! It's

going to be a wonderful evening and for two great causes. Please see page 3 in the newsletter for more details!

Also coming up is **TBIC Night at the Rays!** On May 14th, come out and join your fellow Hawkeyes as the Rays host the Oakland A's. We will be having a pregame party at Ferg's!

Please save June 10th for our TBIC annual meeting! This is a great opportunity to meet other members and voice your opinion!

We are still looking for a home for our TBIC trailer. If you are able to help, please contact me!

Have a wonderful spring!
GO HAWKS!

Hawkeye Insider - Zach Riesberg

Zach grew up in Carroll, IA and attended Kuemper Catholic High School, home of the Knights! He played football, wrestled and ran track, while also being the Student Council President his senior year and class president each year prior. He attended the University of Northern Iowa and Majored in Business Marketing. Although he attended UNI, Zach promises he has been a lifelong Iowa fan! After college, he worked with a publishing company out of Nashville, TN while living in Lawrence, Kansas and recruiting and training college students for their summer sales internship. In 2014, Zach started with the company he is currently with, Adrenaline Fundraising. He moved to Tampa last August to launch their Florida market. Zach works primarily with the high school and youth athletic programs in the Hillsborough, Pinellas, and Pasco counties.

Not knowing anyone when Zach moved to Tampa, he immediately looked for a place to watch Iowa games on Saturdays, which led

him to the TBIC. He has participated in a few Board Meeting Retreats and is looking forward to becoming more involved in 2016.

Since living in Florida over the past year, Zach has enjoyed seeing his business grow, picked up kayaking, has become active in his church in South Tampa, Radiant, and overall is enjoying being a beach bum. He also has recently become engaged and is looking forward to tying the knot this coming October back in Iowa. Margot is however a Cyclone, but with enough help from the TBIC, he thinks we can convert her!

TBIC HAWKEYE CONNECTION

Hawkeye Insider - Special Edition

TBIC would like to recognize two members of our club that passed away this year. Jeannine Lane, mother of TBIC President Diane Lane, passed away on January 14th. Virginia Egner was a honorary board member of TBIC and passed away on January 29th. They were both longtime members and they will be dearly missed.

Jeannine M. Lane

June 9, 1931—January 14, 2016

Jeannine was always smiling and had a dear love for the Hawks! The native Iowan graduated from St. Mary's Catholic High School in Clinton and immediately met and fell in love with her late husband, Bill Lane. They moved many times over their 24 year military career with all four children born in different states. Following Bill's retirement from the Air Force, they lived in Iowa for 25 years and then retired to Tampa in 1997. She was a longtime member of TBIC and could be found at almost every event. She was kind, caring, and always happy to help at the events and beyond. Jeannine was a mother, sister, and friend to many and enjoyed spending time with those she loved. She was an avid fan of the Tampa Bay Rays and also loved shopping.

Jeannine is survived by her daughters Kathleen (Bob), Nancy (Nabil) and Diane (Lester) and her son Jeff (Sally), four grandchildren and three granddogs.

Virginia H. Egner

October 9, 1923—January 29, 2016

As Virginia's daughter, Diane Egner, described her, "Smart. Feisty. Sassy. Always eager to share a beer, a laugh, a walk along the waterfront, a seat at a baseball game, a conversation about current events or stories about her grandchildren. My mother loved to stay up late, read mystery novels and biographies, listen to rock n roll music from the '50s and '60s and talk politics: She graduated near the top of her class from her beloved University of Iowa in the 1940s when most her classmates were men". Virginia went on to conduct some of the earliest research on DNA and RNA at Johns Hopkins University and spent most of her lifetime working as an x-ray and medical technologist at hospitals in Minnesota and Florida.

Virginia is survived by her five children; Floyd III (Susan Suby), Lynnette (Larry Cravens), Diane, Karen (Charles Holt) and David (Stacey Minyard), eight grandchildren, nine great-grandchildren and one great-great-grandchild.

An Evening with Tim Dwight
Team Up to Fight Juvenile Diabetes!

Tampa Bay IOWA Club Scholarship Dinner
Friday, April 8, 2016

Featuring Guest Speaker Tim Dwight

– former Iowa Hawkeyes and NFL football player

TBIC HAWKEYE CONNECTION

An Evening with Tim Dwight
Team Up to Fight Type 1 Diabetes!

Friday, April 8, 2016

OWN A BUSINESS AND INTERESTED IN DONATING TO THE EVENT?

SILENT and LIVE AUCTIONS will be held throughout the evening – this is a great opportunity for you to promote your local business through donated services and offerings while gaining new customers.

Donations are essential in making this event a great success!

As you most likely are aware, Tampa Bay IOWA Club promotes the interests of the University of Iowa, its alumni and friends through our educational, social and athletic programs throughout the local area. **One of the purposes of our club is to provide an annual scholarship award to a local Tampa Bay area student interested in attending the University of Iowa.** This has been made possible through the Scholarship Endowment Fund and we're striving to raise additional funds through this dinner event to benefit more local students annually.

TBIC is teaming up with JDRF with proceeds also benefiting the Tampa Bay Chapter to help fight **Type 1 (Juvenile) Diabetes**. JDRF is the leading global organization funding type 1 diabetes (T1D) research. JDRF collaborates with a wide spectrum of partners and is the only organization with the scientific resources, regulatory influence, and a working plan to better treat, prevent, and eventually cure T1D.

If you are interested in donating to the Silent and Live Auctions, please email TBIC at TampaBayIowaClub@gmail.com.

A board member will then contact you to further discuss.

Area donations will help make a huge difference in a student's life... and in those lives affected daily by T1D.

TBIC Night at the Rays

Saturday, May 14th, 2016

Tampa Bay Rays vs. Oakland A's

Thank You For Your Support!

Conclusion

For the time frame specified from 7/1/2015 – 6/30/2016 the Tampa Bay IOWA Club held 43 events with a collective headcount of nearly 2,700 people! We supported 2 specific local Tampa Bay area charities, Hope Children's Home and the JDRF, through a food drive and financial support with cash donations and a fundraiser dinner. The numerous events we held allowed us to provide additional community support by attending each of our local sports team's games, and driving business to local establishments. The generosity of our membership was further demonstrated by our support of the Ruck March in November 2015, raising \$500 through open donations and our 50/50 raffle. And, finally, one of our most important goals each year is focusing on our scholarship and scholarship endowment. With \$2,000 going to this past year's recipient and more than \$4,300 contributed to our endowment we more than exceeded our scholarship goals.

We should not only be considered for what we did, but who we are. We are an IOWA Club who ensures we represent the University of Iowa and the University of Iowa Alumni Association to the best of our ability. As an extension of the UIAA we ensure our members are engaged with the University of Iowa community, but more importantly through our events the Tampa Bay IOWA Club expresses and reinforces the Hawkeye spirit, pride, and values.

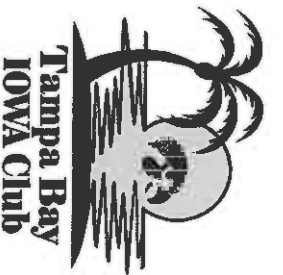

Once a Hawkeye.....

It is for what we do and who we are I believe the Tampa Bay IOWA Club deserves the IOWA Club of the Year award for 2015 – 2016 in the Overall Programs – Large Club category.

Sincerely,

Dan Rhoer

Vice President, Tampa Bay IOWA Club
