This reunion is special as we honor the Black Students who blazed the trail for many of us. We want to say THANKS for helping us rekindle relationships with Iowa alumni and establishing new directions for the future. We have provided over 15 scholarships to Black students at \$1000.00 each.

This reunion will be filled with many of our regular activities and we would also like to involve more current undergraduate and graduate students and Black organizations on campus. We would like to provide a time when we as alumni can meet and communicate with some of these students/organizations to see how we can become more supportive their efforts. You may want to attend some of these discussions and provide input.

This same weekend the Voices of Soul will be celebrating their 40<sup>th</sup> anniversary and we would like to support their events. We have included a meet and greet with Voices of Soul members and their guests on Friday afternoon as well as their concert on Saturday evening.

We have also changed our format for the Bid Whist Tournament, this year. We invite University students, staff and faculty to test their skills against former IBAA champions and for those that do not play the game, we plan to have optional games available for those that do not play the game.

Reunion information and registration forms will be available on the University of Iowa Alumni WEB SITE. <http://www.iowalum.com/ibaa/index.html>

See you all in April at the IBAA Alumni Reunion.

Sincerely,
