

Street Seats 2012

Things to remember about the street seats:

No need to bring a chair- they are provided!

Parade Starts at 7pm. (just remember our seats are at the end of the route)

The location of our street seats is on the corner of Hendry St. and Edwards Dr. in downtown Ft. Myers. See Map above. The seats will be marked with "IOWA" signs, not numbers - so look for them. We will not have assigned seating, but the entire Iowa Section will be marked off, reserved for our group. We expect to have a lot of children joining us, please save the front row for the families so the kids can enjoy the parade. Justin will be there at 6:45 with the list of reservations. If you have chosen to pay that night, please bring cash or check made out to Paradise Iowa Club. Parking is available throughout downtown. Last year the Edison website had suggestions, but they did not do that this year. I believe parking will be available for \$5 at the First United Methodist Church at 2466 First St. in down town Fort Myers. Contact Justin at 239.677.1354 with any questions.
