Hawkeye Insider – Joyce Keegan and Alan McDermott

Joyce Burzlaff was born and raised on a farm in Clinton County IA. She graduated from [Calamus](#), Iowa High School, in 1963 with 21 classmates. She played six-on-six basketball on the defensive end for Calamus. After one summer of leisure she began her "working girl" journey - 20 years in banking and 21 years as a federal civil servant for the Army. Joyce says, "I graduated from the "College of Hard Knocks" on 9/30/2004 and began a wonderful adventure called retirement and have never looked back."

Alan was born in Maplewood, NJ and attended private schools until college. He received a BS in Electrical Engineering in 1965 from Newark College of Engineering (now New Jersey Institute of Technology). He did

postgraduate work in Construction Management at Iowa, ISU, and Wisconsin. Alan started his career as a civilian engineer for the Army at their Armament Research and Development Center in NJ. In 1974 he transferred to Iowa,

settling in Bettendorf, and became Command Project Manager for the Army's industrial construction program. He retired in 2002 as Director of Production Base Construction Program for the Corps of Engineers.

Joyce and Alan have been

together since 1999 and have been die-hard Golden Hawks and season football ticket holders ever since. During the 2009 Outback Bowl they decided to put down roots in New Port Richey and became official Snowbirds.

They are active runners, long-term members of the Cornbelt Running Club of the Quad Cities, and volunteers for numerous running events. Alan just completed his 4th marathon in January at Walt Disney World and has done 14 half marathons over the last 10 years. Joyce's knees now prefer race/power walking after years of running.

While surfing the web in 2009 Joyce found TBIC and they attended their first basketball game watch at Boston's. They now attend most TBIC functions while in Florida. A plus has been that they keep meeting great new friends!
