Ports of Call

GEORGE TOWN, GRAND CAYMAN

Swim and snorkel with shy and gentle stingrays, see the underwater world from a semi-submersible sub, send a postcard from “Hell,” visit a turtle farm where Green Sea turtles are raised or just relax on miles and miles of exquisite white sand beach.

COZUMEL, MEXICO

Cozumel is an island in the Caribbean Sea off the eastern coast of Mexico’s Yucatan Peninsula. Enjoy a day snorkeling, diving to fabulous reefs, or exploring the jungle with an ATV. Relax beside the pool at a beach club, stroll a vast beach or visit an ancient Mayan temple.

BELIZE CITY, BELIZE

Visit the beautifully restored temples and plazas of Cahal Pech, a major Mayan site on a hilltop or explore Belize City and its museum, filled with Mayan artifacts. Journey along the Olde Belize River watching for howler monkeys, alligators and iguanas en route to Altun Ha. Or head for the stunning Barrier Reef to dive or snorkel in crystalline waters.

SANTO TOMAS, GUATEMALA

Visit fascinating Quiriguá and its stunning Mayan stele. Take a boat ride along the Rio Dulce to Lake Izabal past riverside Mayan villages, lush tropical vegetation and Fort San Felipe. Or take a short flight to Flores for an unforgettable visit to incredible, mysterious Tikal, its soaring ancient temples rising from the jungle floor.

ROATAN, HONDURAS

Roatan is the largest of the Bay Islands that lie just over 30 miles from the northern coast of the Honduran mainland. Luxuriate on the magnificent beaches, snorkel or dive and explore the superb shallow reefs. Discover the island’s other natural wonders on a horseback ride on the beach and through a tropical forest past spectacular volcanic rocks.

COSTA MAYA, MEXICO

The cruise port of Costa Maya in Mexico’s developing Costa Maya region is surrounded by dense jungle and turquoise waters and blessed with radiant sunshine. No wonder the ancient Maya lived nearby, building ceremonial centers like Chacchoben, where you can climb among the ruins, many of which are still being excavated. Look for raucous toucans in the trees.

KEY WEST, FLORIDA

Visit the Key West Butterfly and Nature Conservatory which houses an impressive collection of flowering plants, cascading waterfalls and butterflies from around the world. Continue on to the Aquarium, Key West’s oldest attraction dating back to 1935 and home to hundreds of different species of local sea-life including grouper, moray eels, barracuda, tarpon, sharks, and parrotfish. Don’t miss the 19th-century Hemingway Home and Museum, where the author wrote famous works such as *For Whom the Bell Tolls*.

A variety of optional shore excursions featuring highlights of each port of call will be available for an additional charge.
